

REMARKS

Favorable consideration of the applicant's pending claims is respectfully requested. Claims 1-17 are pending in this application, with claims 1 and 12-16 being withdrawn as drawn to non-elected inventions. The claims have been amended to introduce claims dependent from claim 17, which was elected for prosecution as a consequence to applicant's response to a telephone restriction requirement. No additional subject matter has been introduced.

Respectfully submitted,
